Family Learning: Food at Dordon Primary School

Food Explorers

For KS2 children and their parents

Every week from Wednesday 25th September for 5 weeks 1:30-3:00 p.m.

Use your senses to explore different foods.
Parents and children work together to make healthy, tasty family food for dinner, lunchboxes and snacks.

Younger siblings welcome with parental supervision. The session is provided free by Adult and Community Learning teachers. You will be required to complete and enrolment form for funding and data purposes
