Dear Parents

Protecting Our Children From Harm

You will no doubt be aware of the schools excellent reputation for 'safeguarding' our pupils, which was recognised so positively by OFSTED inspectors.

Each year we run a special programme of work, which teaches the children:

- That they have a right to feel safe all the time
- That nothing is too small or awful to talk about

The programme is taught for an hour a week for a period of 4 weeks. The children will learn about how to keep safe, early warning signs and about the 'network' of people to turn to when they feel unsafe'. The children also learn the proper terms for parts of the body, rather than 'slang' names. In this way, they are able to properly describe anything that concerns them.

Yours sincerely

Mrs M Cross
Executive Headteacher
