Dear Parents,

After the Easter break the SATs will commence on Monday 14th May (please see the timetable above). Today we are sending home a SATs Pack to support your child over the holiday. Here at Dordon we feel it is imperative that all children have a well-earned break during each holiday. We also want to ensure that all our children reach their full potential and are rewarded for the exceptionally hard work they have put into their learning this year. This is why we will be encouraging children to complete the tasks in their packs throughout the holiday, so they are keeping their brains active.

The SATs pack includes:

- One SATs maths reasoning test and answers
- Two short VGPS tests
- One SATs reading comprehension test

Although the homework pack is not compulsory, we do feel it would benefit the children if they were to complete the tasks gradually across the holiday, so they do not forget the skills they have been practising.

We are very proud of the children and the commitment they have shown to their learning. The end is in sight Year 6, keep going!

Yours sincerely

Miss S McGroarty
