

## English

Children will be reading scary short stories by Anthony Horowitz. They will be writing:

- A diary entry
- Formal letters
- A setting description
- A biography
- A short story
- A newspaper report

## Maths

Children will be:

- + - x and ÷ fractions
- Finding fractions of amounts
- Finding equivalence between fractions, decimals and percentages
- Statistics
- Algebra
- Revision of 2D and 3D shape properties

## Science

Children will learn to:

### Light

- Recognise that light appears to travel in straight lines
- Use the idea that light travels in straight lines to explain that objects are seen because they give out or reflect light into the eye
- Explain that we see things because light travels from light sources to our eyes or from light sources to objects and then to our eyes
- Use the idea that light travels in straight lines to explain why shadows have the same shape as the objects that cast them

## Computing

Children will be:

- Using 'Book Creator' to apply for a job on-board Shackleton's ship
- Planning an adventure story using the Popplet APP
- Continuing to use algorithms to program software
- Using apps such as Moldiv and Skitch to create a photo collage of Frank Hurley.

## History

Children will be learning about:

- Ernest Shackleton's expedition across the Antarctic

## *Our Autumn 2*

### *Power of Reading Text:*

**The Night Bus by Anthony Horowitz**
