

English

Children will be reading **Kensuke's Kingdom** by Michael Morpurgo. They will be covering:

- A range of spelling and grammar skills

Writing:

- Fact files about the animals on the island
- A balanced argument about deforestation
- An alternative ending to the story

Maths

Children will be:

- Revisiting and using place value skills
- Calculating looking at
 - + - x
- Finding equivalent fractions
- Comparing and ordering fractions
- Completing reasoning tasks/questions

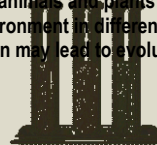

Science

Children will learn to:

Evolution and inheritance

- Recognise that living things have changed over time and that fossils provide information about living things that inhabited the Earth millions of years ago
- Recognise that living things produce offspring of the same kind, but normally offspring vary and are not identical to their parents
- Identify how animals and plants are adapted to suit their environment in different ways and that adaptation may lead to evolution

Computing

Children will be:

- Looking at internet safety
- Revising SMART rules
- Will plan and perform an internet safety assembly

History

Children will be learning about:

- Charles Darwin through science and the impact he had on scientific research
