Reports

I cannot quite believe it is that time of year again. I have spent this week reading through all of the reports for the children across school. They are due to be sent out on **Friday 12th July**. The purpose of the report is to summarise your child's experiences in their current class, highlight their current attainment and set clear targets they need to work on as they start their new class in September. If for any reason you do not receive a copy of your child's report, please come into school immediately so we can address this.

Also included in your child's report is their attendance certificate for the year and any results from statutory tests and assessments. These include end of Early Years, Year 1 phonics, Y2 phonics retakes, KS1 SATS results and KS2 SATS results.

Please take the time to read your child's report with them sharing their successes and their targets for the year ahead.

The report will also form part of the detailed conversations that will happen between your child's current teacher and the teacher of their class next year. These conversations cover all aspects of school life from their reading band, to their key strengths, to any interventions that have been particularly successful and many more. The aim is for teachers to know as much about the children they are gaining as they can to ensure the transition into their new class is seamless.

I hope you enjoy reading your child's report, seeing the progress they have made and their own reflections on their year in school.

Dordon Events

This week, we had a wonderful sunny day on **Monday** whilst competing in Sports Day events. The children across KS1 and KS2 took part in races, javelin throwing, obstacle courses and many more. As a school it takes a lot of planning to ensure the day runs smoothly and all children are safe and having fun. Mrs Cross took some amazing photographs of the children during their events and each picture tells a story of fun, laughter and determination. Thank you to all the parents who attended, I hope you had as much fun as we did. A big thank you also goes to Miss Thorpe, who did an excellent job of organising the day.

Yesterday, we saw the return of Dordon's Got Talent! As always, Mrs Genge put together an entertaining show with the help of some Year 6 pupils. It was wonderful to see children of all ages entering the competition and their parents coming in to support them. It is a very daunting task standing on a stage performing in front of an audience, so I applaud all of the children who took part - you were amazing. Thank you to Mrs Genge who gave up her own time to organise the show too.

Healthy Lunchboxes

Top Tips.....

- Keep children fuller for longer - Base the lunchbox on foods like bread, rice, pasta and potatoes. Choose wholegrain where you can.
- Always add veg - Cherry tomatoes, or sticks of carrot, cucumber, celery and peppers all count towards their 5 A DAY.
- Swap the sweets - Swap cakes, chocolate, cereal bars and biscuits for malt loaf, fruited teacakes, fruit breads or fruit (fresh, dried or tinned - in juice not syrup).
- Get them involved - Get your kids involved in preparing and choosing what goes into their lunchbox. They are more likely to eat it if they helped make it.

ParentPay

Could we ask all parents to make sure that there are no outstanding debts on their children's ParentPay accounts. All meals taken, swimming lessons, activities and trips need to be paid for before the end of term.

Sports Day

On Monday the whole school took part in Sports Day and had lots of fun, here is what the children thought of the day:

"It was brilliant, I won a race, it was my favourite day." Alfie Peacock

"My favourite part of Sports Day was skipping because I learnt how to skip and won!" Kayleigh Kingfisher

"What I liked about Sports Day was the running race because my Mum videoed it and sent it to my Dad and he said I'm his little dash bolt." Michael Swan

"It doesn't matter about winning. It's about having fun." Lola Owl

"I liked the way that we all showed good sportsmanship." Elzie-Mae Swift

"I enjoyed Sports Day because the get dressed race was very funny because everything was loose. I also enjoyed Sports Day because everyone was playing as a team. Fun, amazing and greatly organised are just some of the words that can describe it." Sayan Hawk

"I enjoyed Sports Day because I helped with KS1 Sports Day and I liked the races." Rani Falcon
