

## -PARENT/GUARDIAN CONSENT FORM-

Name of Pupil  Class

Dear Parent/Carer

During the course of the school year, we may sometimes wish to take photographs or video recordings of children within school or on school trips, either for our own records, for use as part of our learning curriculum or for inclusion in our promotional material such as the school prospectus and our website.

The school may also invite an external photographer to the school each year to take official school photographs and may invite the media in to take photographs of pupils engaged in school activities or events for publication.

To comply with the General Data Protection Regulation, we need to ask your consent before the school record any images of your child. In view of this, please read the statements below, complete the slip and return this form to school within the next 10 days.

This table sets out the various reasons for taking, and making use of, images of your child and we should be grateful if you would indicate whether or not you give consent for use in these circumstances. By indicating 'YES', you are confirming that you consent to your child's personal data being shared for those purposes and/or with the named third parties):

We will not use, or allow the use of, your child's name in any images access externally to the school (for example social media, other websites or the print media) without seeking your express consent.

It is also good practice to seek parental approval for a range of activities or unplanned eventualities that may occur. Over the course of a school year children are involved in a range of exciting activities that support their learning. Not only do we use our own school grounds, but also like to take them into our local community to complete valuable fieldwork. We also plan lessons, which involve the children preparing, and tasting food.

We would appreciate you confirming agreement and giving consent to the following:

12.	Walks into the school's immediate locality during school time, e.g. to local shop, library, The Polesworth School, Birchwood Primary School, Polesworth Abbey etc.	YES/NO

Unfortunately during the school year children may also have minor accidents such as bumps and grazes. To avoid unnecessary distress or needing to call parents into school, we also understand the benefits of undertaking first aid on children for minor injuries.
