

English

- Researching facts relating to World War Two – causes, evacuation, etc
- Persuasive text – giving a clear point of view
- Diary entries as people experiencing the war
- Discussion texts about being held in captivity
- Poetry relating to being held captive

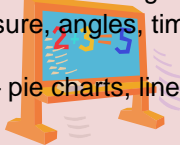

Maths

Revising key skills and information for Key Stage 2 SATS

Fractions – learning to find fractions of numbers, decimal and percentage equivalents

Measures – converting units of measure, angles, time

Statistics – pie charts, line graphs

Science Electricity

- Associate the brightness of a lamp or the volume of a buzzer with the voltage of cells in a circuit
- Compare and give reasons for variations in how components function, including the brightness of bulbs, the loudness of buzzers and the on/off position of switches
- Use recognised symbols when representing a simple circuit in a diagram

Computing

Presenting work using a variety of techniques including green screen
Using websites to locate information to support our learning across the curriculum
Using Excel to create graphs
Using PowerPoint to present information

History

Learning about events leading up to WW2 and the significant figures
Exploring the impact of WW2 on children across Europe
Understanding how life in Britain was affected by the war

Our Spring 1 Theme

We'll Meet Again...

Year 6

Geography

- Countries involved in WW2 and their locations
- Planning routes as someone escaping the war

Music

War songs and sounds

P.E

Tuesday – Gymnastics
Friday – Maths on the Move

ART

Artist Study – L.S Lowry

R.E

Buddhism

PSHE

Living in the Wider World

Our Trip

National Memorial Arboretum

Our Visitors

A lady who was evacuated from London during World War Two

Key Text

The Boy in the Striped Pyjamas – John Boyne

End Product

V.E Party
