What is the single most important thing I can do to help my child at school?

Research shows that '**reading with your child**' is the single most important thing you can do to help your child's education and more importantly children are never too old to share reading.

What difference could I make as a parent?

The short answer is: a lot! Parents are by far the most important educators in a child's life and a child is never too young or old to read. It's best to read little and often, so putting aside some time for it every day, even if it is just 15 minutes it is hugely valuable. Thinking of ways to make reading fun can sometimes be difficult - you want your child to learn how pleasurable books can be, but don't want reading to become a chore.

Learning to read is about listening and understanding as well as working out print. Through hearing stories, children are exposed to a rich and wide vocabulary. This helps them build their own vocabulary and improve their understanding when they listen, which is vital as they start to read. It's important for them to understand how stories work as well. Even if your child doesn't understand every word, they'll hear new sounds, words and phrases which they can then try out, copying what they have heard.

As children start to learn to read at school, you can play an important role in helping to keep them interested in books, finding out what interests them and helping them to find books that will be engaging and fun for them. Give time to helping them practise reading the books they will bring home from school. However, books aren't just about reading the words on the page, they can also present new ideas and topics for you and your child to discuss.

Tips for helping your child to enjoy books:

- Schedule a regular time for reading perhaps when you get home from school or just before bed.
- Look for books on topics you know your child is interested in e.g. dragons, insects, cookery, sport.
- Reading comics, leaflets, instructions are also very important and encourage reading.
- Make sure that children's books are easily accessible in different rooms around your house.
- Use individual cardboard 'filing boxes' to store leaflets, newspapers, comics, instructions for them.
- Make 'book reviews' together and record stories you read together.
- Think of investing in a device such as a kindle. Costs are now down to £50 and the money saved on buying a 'paper book' quickly recoups the cost and presents a new and exciting way to encourage reading.

Reading is a life skill and we will continue to work together to secure the best future for the pupils in our care.

Family Lunch

On Wednesday, families came into school and enjoyed lunch with their children. We had feedback from parents last year expressing a wish to come into school more often, just like our grandparents do. With this in mind, we decided to introduce a 'Family Lunch' every term at Dordon, so any close family members can come in for lunch.

As always, Mrs Clarke has done a wonderful job organising the day. She took families on a quick tour of school, made sure everyone spent time in class with their children, had lunch and then a cup of tea in the staffroom.

We listen to parental feedback regularly in the hopes that we continue to forge links with our families and the community. Thank you to all those families who applied for the lunch; if you were unsuccessful this time please try again next term.

******************************* Dordon Primary School Christmas Fayre Friday 6th December

Sorry to start talking about Christmas but it will soon be time for our School Fayre!! This year we would love some home baked cakes or mince pies for our refreshment stall, if anyone could help. Also there will be a non uniform day on Thursday 5th December where the children will need to bring a Tombola prize as payment. If any parents would like to run a stall for their own products or know any local businesses who could donate raffle prizes or can help in anyway please see Mrs Genge in the school office.

Whole School trip to see Snow White at Birmingham Hippodrome

Don't forget that the payment has been set up on ParentPay so you can pay in instalments of as little as £2. Please note that the full amount must be received by Friday 17th January 2020. Unfortunately if payments are not paid in full we will have no choice but to cancel the trip.
