Showcase Evenings

'An opportunity for the children to show their pride in their school'

Children and their teachers are now preparing for our annual **'Show Case Evenings'** which occur next week.

Our Show Case evening is an informal event where children show parents around their classroom and explain their work from the school year. During the course of the evening, children will also 'showcase' a 10 minute piece of work from the year, in their classrooms. Each class has an 'open class time' in which to welcome visitors and show them around

Although designed to be an informal fun event, without short appointments, we spend a lot of time helping the children to prepare properly. The children are supported in explaining to their parents how to introduce three pieces of work from their Maths, English or theme books that they are proud of. We also ask the children to plan a 'guided tour' of their classroom and also participate in showcasing a piece of work/ or pieces of work for a period of 10-15 minutes maximum from the past year.

Our Showcase Evenings work because everyone contributes. Very few children don't get involved and we are always delighted at the positive comments we receive about the event from parents. We would very much appreciate the children arriving back at school promptly, in uniform, for their allotted time, and once again look forward to welcoming our parents into school

Spot Light on Excellence...

Area Athletics

On Wednesday our Key Stage 2 children represented our school at the Area Athletics competition. Unfortunately our Year 6 children had curriculum work to complete with Loudmouth productions so were unable to attend but Year 5 stepped in and represented our school well.

The children from Dordon once again demonstrated excellent sportsmanship and were very supportive of each other. They competed well and tried their very best on what was a very hot day.

As a school we didn't finish in the top 3 schools but the pupils all had a fantastic experience running on the track at Tamworth Athletics Stadium and their behaviour made all of our staff very proud. Thank you to all the parents and staff who supported the event and made it possible.

Who's Who at Dordon Primary

Hello I am Mrs Shorney and I am a teaching assistant at Dordon Primary School, I currently have the pleasure of working with the Year 4 children in Swift class. I enjoy my work so much that I am currently studying for my level three teaching assistant qualification.

I am originally from London but have been living here for nine years now. I have two daughters and lots of pets as I love animals.

In my spare time I enjoy camping with my family and walking my dogs.

What does your child most enjoy about school?

A selection of comments from our most recent parental questionnaire which we are extremely proud of... (names removed for anonymity!)

"Thank you for making my daughter's school life so enjoyable."

Our Newsletter

A newsletter goes out EVERY Friday. If yours does not come home remember you can always read it on the school website - www.dordonprimaryschool.co.uk.
