Parent/ School Relationship

The relationship between home and school is one of the most important elements in successful education for school. Where school and parents work in partnership to secure the best outcomes for the child, the child reaches their potential.

So what does this look like?

- School listening to parents and responding to any concerns that are raised by parents. At our school we always aim to respond quickly to concerns that are telephoned or emailed into school. It may not be immediate as staff may be teaching or in meetings but as soon as we can, we will respond to you. Please make sure you use the admin email address with **FAO member of staff** this ensures it gets passed on to the appropriate person.
- School ensuring that where possible, information is shared openly and in a timely manner so parents have adequate notice about any changes or events.
- We ask that you as parents talk positively about school - if there is an issue please don't talk about it in front of your child as this can lead to them feeling awkward and conflicted.
- Keep up to date with what is happening in school by reading the newsletter, Eschools pages and checking for school email. That way you will be very much in the loop with events taking place in school.

Support the learning of your child by reading with them regularly, practising words/ spellings for the week and their 10 for 10. These are available on class Eschools pages.

There have been incidents recently where issues have been aired on social media for general comment without these issues being shared with school. This does not give the opportunity for issues to be resolved successfully. We respectfully ask that parents avoid this moving forward.

By working together, we will secure the best outcomes for your children. We are very grateful that our parents are on board with us and your positive feedback during the recent lockdown was very much appreciated. The school community is slowly but surely regaining its vibrant and happy identity and we would like to maintain that momentum.

Thank you for your continued support.

Kingfisher

Here is what Kingfisher class have been enjoying this week:

"I like our book 'Beegu' and I liked pretending to be the teacher and telling Beegu off."
Jayde

"I like phonics and learning new graphemes." Logan

"I like being in Year 1 because Miss Thorpe is a great teacher."
Millie

"I liked going on the laptop to make a good alien." Charlie

Stop It Please!

Children need to be taught to deal with things they don't like happening to them properly. In school we tell them that hitting back is not acceptable. We simply ask:

'If someone does or says something you don't like, say 'Stop It Please!'. If this doesn't stop the problem, go to an adult who will ALWAYS deal with the problem immediately.
